Capital Budget Committee Agrees to Support FinCom Recommendations at May 3rd Annual Town Meeting

MILLBURY - Since January, the Finance Committee has met 26 times, with each meeting lasting a minimum of three hours. The committee recently completed its recommendation report on spending packages for the Annual Town Meeting. In the past, residents attending the town meeting have frequently voted to fund articles in opposition to recommendations from the Finance Committee. Also in the past, the town has had the funds to appropriate this money. This year, however, Millbury is far less fiscally healthy, and voting to fund items not recommended could force the town to borrow or to override Proposition 2 1/2.

refundable from the State.

"We looked at items from a maintenance point of view. We recommended funding those articles that require immediate attention and decided against those that could be put off until later."

Their decision was not an easy one: "We took no pleasure in not recommending certain articles," Bleau said. "We would have liked to see them all be recommended, but the town had better realize that it just doesn't have the finances to fund them. Our message to the town is that we as a committee have spent everything that we have to spend; there simply isn't anything left."

"Our message to the town is that we as a committee have spent everything that we have to spend; there simply isn't anything left." Gerry Bleau - Finance Committee Chairman

Gerry Bleau, Chairman of the Finance Committee, explained the painful fiscal realities at a Capital Budget Planning Committee meeting on Thursday, April 21. After questioning Bleau and considering the information which he provided, as well as that they have gathered over these months, a sympathetic Capital Budget Planning Committee agreed to defer their recommendations to the Finance Committee. Chairman Gary Nelson told Bleau, "We recognize the time and effort that your committee has put into your recommendations, and we're aware of the limited funds that are available this year. We don't want to undermine the work that you've done by recommending some items that you may not have." Nelson went on to explain that most of the budget items that they've considered have merit, but the funds are not available to pay for them.

In a subsequent interview, Bleau explained that the latest figures anticipate revenue to be $12,244,000 and the Finance Committee has recommended on $12,078,000, leaving just $166,000 in reserve. "We tried to prepare a spending plan," he explained. "The plan was to spend everything available but not to borrow except for short term borrowing that would be

Bleau explained the past and present fiscal picture: "I see the situation like a 'bell curve.' For a number of years, we had lots of money and as spending increased, revenue increased. As I see it, it's turned around. Appropriations are growing faster than incoming revenue. If the spending packages are all passed, the town will not be able to fund them without overriding (Proposition) 2 1/2 or by borrowing."

Bleau and Nelson outlined the major appropriations and the major problems which the town will face: (1) "Free Cash" will be less this year. "Free Cash" is monies that have been returned to the general fund. Bleau anticipates that it will be lower than last year, and he further anticipates that it will be lower still next year. (2) There is no more "Revenue Sharing," and those revenue sharing funds which are part of this year's budget are what have been saved from previous allocations. After this year, there will be no more funds available from this source. (3) The town faces two significant appropriations: the construction of the transfer station, estimated to be somewhere around $700,000 and the closing and capping of the

Left to right: Diana Fromme, Jennifer Belisle and Martha Campolito, Citizen Action Network Organizing Committee members, Robert Largess, award recipient from Sutton, Rep. Paul Kollios, Tom Dunford, Millbury award recipient, and Worcester State College President, Philip Valro.

Thomas Dunford, of 3 Sycamore Circle, Millbury, and Robert Largess, of Davis Circle, Sutton, were among eight individuals honored by the Citizen Action Network at a brunch held at Worcester State College on April 23. The eight individuals were presented with plaques in recognition of their community efforts.

Dunford, president of the Millbury Little League, was praised for his work with the League by Mrs. Frances Cofske, of Millbury. "This gentleman has worked hard, put in long hours, worked with his hands, but mostly with his heart."

Robert Largess was commended for his contributions to the development of the Green Island neighborhood of Worcester. He helped to develop the Millbury Street Merchants Association, is chairperson of the governing board of the Green Island Neighborhood Center, and is active in the newly-created Green Island/Vernon Hill Community Development Corporation.

In accepting his award, Largess said, "This is for people who are active, and actions speak louder than words."

Other recipients were Curt Holder, a senior at Clark University; Carolyn Packard, of Beacon Street, Worcester; Patricia Ugrinow, of South Spencer Road, Spencer; Annette Rafferty, Crown Street, Worcester; and Idalia Vazquez, Country Club Boulevard, Worcester.

Parking Problems: No easy solution

This is the second installment in a two-part series on the parking problems facing the town of Millbury.

MILLBURY - There are roughly 71 business locations situated along Elm and Main Streets. These 71 businesses compete for approximately 157 on-street parking spaces that are available from the intersection at Elm and Canal Street to the Town Hall, and from First Place Bicycle Shop, up South Main Street to the Millbury Credit Union. This count does not include spaces available in the municipal parking lot or private lots.

Last week, the Chronicle examined the parking situation along Elm Street, this week we will explore the problems along Main Street.

The availability of parking spaces along Millbury's main thoroughfare if not worse, is not much better than along Elm Street. On the westerly side of South Main, Pat Finne owns and operates Sheer Elegance Hair Salon. Mrs. Finne has no problem with the 30 minute restriction placed on parking in front of her establishment, in spite of the fact that her clients are often in her shop for an extended length of time. She, along with her co-tenant, Nancy's Body Shop, pay for customer park-

We the people...

Grateful for tender loving care

To the Editor:

This past weekend I had an awful experience. My kitten 'Blooper' got his leg caught in a drawer and broke it.

Being 7:45 on a Saturday night, hoping against hope, I called the vet. Dr. Busch and Dr. Yancy have an emergency service just for people like me whose animals are unfortunate enough to get injured on the weekend.

Blooper was at the vets shortly after. The vet had gotten back to me within minutes.

The doctor was so kind and gentle with my little friend and very comforting to me (whom I'm sure was even more traumatized than Blooper!).

I was instructed by the doctor that Blooper not be allowed to jump on and off things. I truly didn't know how I was going to keep this frisky guy from doing what he loves to do best. I called Tender Loving Care kennels in Sutton and told them of my dilemma. This great lady loaned me a cage to keep Blooper confined in so his leg could mend properly.

Blooper, with his little leg in a cast, is on the road to recovery thanks to Dr. Yancy, Dr. Busch, and the owner of the TLC Kennels who really went far beyond the call of duty to help my little friend.

Millbury Selectmen's Meeting Digest

Board Approves Assessors' Recommendation for One Tax Classification

By Edward J. Cooney

April 19, 1988

MILLBURY - The first order of business at the Selectmen's meeting was the approval of the April 5th minutes. In addition, executive session minutes for six past meetings, some dating back to 1984, were also approved.

Administrator Earl Chase then began his weekly report to the board:

- Chase reported that the Finance Committee's recommendations on articles for the town meeting have been sent to the printer. Cristo asked Chase to see if he could obtain a copy of the recommendations. "The board should have some idea what they are," Cristo said.

Selectman Wynton Adams expressed concern with an article to amend the by-law on video games. Addressing Chase, he said, "They should have an opportunity to present opinions, if appropriate. Make contact with them to see if they are for it or not. They could answer questions of the townspeople."

Adams was referring to the Millbury Amusement Center on Rte. 20. Earlier in the year, the board had agreed to support a by-law amendment in lieu of the Center's withdrawing litigation against the Town over permits for video games.

Cristo stated that their attorney should be aware of town meeting dates in most towns. "Not being citizens, they don't have a right to speak at Town Meeting."

Adams noted that they could speak with the approval of the body. "We did this because we had an agrement with them. The onus is on them. They should take the initiative."

Chase replied that they have been advised.

Adams concluded the discussion by stating, "The board put it on the warrant. We should be supportive."

- Chase then informed the board that he had received a call from the Alternative Sentencing Program, a United Fund Agency, concerning five projects for court referrals having to do with community service work. He explained that a young boy would be doing 20 hours of community service in Millbury, which would involve outdoor work such as raking and cleaning up. He also noted that there would be no liability to the town and that the youngster would be supervised.

- The board took no action on a recommendation by Police Chief George Brady to appoint dispatcher Fred Bott to a special police appointment. Adams had questions concerning the board's involvement as this was the first time the board had been faced with the situation of appointing a town employee to a special police position. "We may be doing something innocently. We should get a statement from the Union to see how they regard this type of assignment. Get it in writing," he said.

Cristo expressed some concern with the rate of pay, noting that a person may not be as qualified as a regular police officer yet demand the same rate of payment.

- Chase then asked the board if they had any concerns or problems with the Building Inspector's Fee Schedule.

Board member Roland Lachance noted that the fees set for building a shed and a barn are at the same rate. He said that the rate for a barn should be higher depending on the size. The permit fee for construction of either a shed or a barn is $20.

The board agreed to meet with the building inspector in two weeks. There will be no selectmen's meeting next week due to the town elections.

Cristo noted that the fee schedule was to be implemented on May 1st and suggested that it begin at the start of the new fiscal year on July 1st.

- At 7:30 p.m., the Selectmen met with the Board of Assessors to hear their recommendation on the number of property classifications to be used for allocation of the tax burden.

Chairman Walter Hagstrom told the board that the assessors were recommending the continued use of one tax classification, "Residential."

According to Hagstrom, "There is not enough commercial or industrial property big enough to support tax classification."

Richard Phelan, of Laurel Heights, spoke from the audience in opposition to a single classification. He stated that the Board of Assessors should give a benefit to the residential taxpayer. "There should be a dual classification, one business and one residential."

Cristo asked if there was any additional public comment. Since none was forthcoming, he asked for a vote on the Assessor's recommendation, which was approved 4-0.

- Chase reported that a request was received from the 175th Anniversary Committee asking that the granting of hawker's and peddlar's licenses on the day of the "block Party" be limited to local non-profit organizations.

Cristo suggested that the board review requests on a case by case basis, as they are received.

Lachance then questioned whether individuals possessing a state license are required to have a town license as well. He also asked if the town has a by-law which would cover the situation. After being informed by Chase that there is no by-law on the books to deal with the issue, Lachance suggested a written policy be voted on. He also asked that the discussion be tabled until Selectman John Donnelly is present.

- Chase then reported that a collapsed wall and sunken sidewalk on Sycamore Street were located mainly on town-owned land.

Clarence White, a Sycamore Street resident, noted that previous sewerage work on the street could have contributed to the problem as large trucks were riding over the sidewalks at that time. He also noted that there were small openings in the curbing which could have caused water to enter and weaken the sidewalk and wall. He agreed to allow a temporary easement to the town if it was necessary to go on his property for repairs to the collapsed wall.

- After reviewing Dates to Remember, the board met with Ewing Quan, of Newton, who was present to speak to his application for a Common Victualer's License at 110 Elm Street. Quan told the board that he is planning to open a chinese food take-out service to be called "Foodworks."

According to Quan, there will be no tables or chairs in the restaurant because of size limitations and the lack of public restrooms. The business will be located on the first floor of the Ricker and Wilczynski building. Quan explained that no liquor will be sold and that the menu will contain mainly chinese food items with several seafood selections. The restaurant will open for business from 11:00 am. to 12:30 a.m., seven days a week.

The board approved the license on a 4-0 vote.

- At 8:15, the board met with Officer Walter Sprague, who is on "Injured on Duty Status" and waiting to return to regular duty.

Chief Brady told the board they are still waiting for all of Sprague's medical reports to be released. Sprague told the board that he had signed a consent release form for the appropriate medical records and will speak with his doctor this week to pressure for their release to the town. Adams noted that Sprague's income was dependent on the records being released.

On a motion by Lachance, the board voted 4-0 to grant Officer Sprague a 3-week extension.

Cristo then relayed complaints to the Chief from residents in the Holiday Hills area. The complaints stem from the use of all-terrain recreational vehicles by kids on the public street. Cristo suggested that the department take the kids home and talk to their parents. Brady replied that the police officer's have already done that. Sgt. Lincoln Barton suggested that if a few citations were issued it could make an example for the neighborhood. He also noted that $400 fines could be imposed for operating an unregistered and uninsured vehicle on a public way.

Board member Donald Gauthier then asked the Chief about the department's plans for deploying police during the 175th anniversary events. Cristo suggested that the Chief sit down with the organizers to come up with some kind of plan and suggested that the State Police and the Sheriff's Department could assist if a plan is developed and they are given advance notice.

Brady noted that there could be as many as 10,000 people attending the bicycle race, with 500 entrants expected.

- Under Old Business, the topic of downtown parking generated continued discussion with Cristo relating that he had received calls over the weekend and in the last couple of days. He reported that the bus stop change on Elm Street, in front of the diner, had taken away three lined spaces. Cristo then questioned the need for two bus stops in the downtown area, one on Main Street and the other on Elm. He noted that both stops of 80 feet mean the loss of six parking spaces and that the stops are only used once an hour.

He then suggested the possibility of using the bus stop at the common for service both in and out of Millbury. "The signage change has caused more problems," he said. "How is the community to be best served by cutting six spaces by bus service once an hour. Give that some thought. We should meet with businesses and look around the downtown area," said Cristo.

Lachance proposed that all the merchants be invited to an informal meeting to "hash out" the parking problems.

Adams then said, "We should go with the regulations we have and look over the whole situation. Everyone feels they should park right where they want to go. It can't be done. They would park at the Auburn Mall and walk, which is as far from the municipal lot to downtown. People perceive it as being inconvenient. You can't change attitudes. There is adequate off-street parking."

Cristo also suggested that the board look into the possibility of leasing the church parking lot off Elm Street.

Aroun' The Town & Golden Agers Update

By Lillian C. Sheehan

MILLBURY GOLDEN AGE CLUB - At the April 19 meeting, President Fred Bazin appointed the following members to serve on the Nominating Committee: Mrs. Elizabeth Mahoney, Mrs. Joanne Dunn, and Mrs. Mary Briddon. They will report the results of their findings at the first meeting in May.

A reminder of the trip to East Hill Farm in Troy, N.H. on Tuesday, May 17. The bus will leave St. Brigid's parking lot at 10:30 a.m.

Mary Briddon has a bus filled for the Coach Lite Theatre but is still taking names on a waiting list in the event someone cancels. The show, which is on June 16, is "Singing in the Rain" and the price is $27.25 per person. This fee includes transportation, luncheon, and the show. Please get your money to Mary Briddon immediately!

CENTERVIEW APARTMENTS - Plans are being made for a "Mother's Day" celebration on May 7th, in the evening.

Max Grenier and Mamie Bailey are still patients at St. Vincent's Hospital, and Barbara Welcome is at Hahnemann Hospital. A speedy recovery is wished to them all!

Best wishes for a happy birthday go out to Theodore Renaud, Raymond Fink, Elden Flagg and Mae Plante, all celebrating early in May.

COLONIAL APARTMENTS - Helen Mankevetch, Ruth Braney, Norman Saucier, Urbana Perez and Peggy Kasputis are all celebrating birthdays in May. Best wishes to all of the above!

LINDEN APARTMENTS - Nellie Callahan and Ann Devoe are also celebrating May birthdays and are wished many happy returns!

ST. BRIGID'S WOMEN'S CLUB - Members are being contacted for reservations for the Communion Supper to be held at Pleasant Valley Country Club on Thursday, May 19. Menu choices are Breast of Chicken Ballotine or Famous Broiled Boston Schrod. The price, including tax and tip, is $16.00. Checks, made out to St. Brigid's Women's Club, may be given or sent to Lillian Sheehan or Caroline Pescheta, co-chairwomen, as soon as possible. All returns must be in by May 11.

MAY FELLOWSHIP DAY - The Millbury-Sutton Council of Churchwomen United will sponsor May Fellowship Day Celebration on Friday, May 6, at 1:00 p.m. at the Millbury Baptist Church.

This is an annual gathering of Churchwomen United that, this year, challenges women of faith to work toward greater justice for "Women in Captivity." The worship materials for the service were jointly prepared by women who have served time in prisons or reformatories and women who have committed themselves to helping incarcerated women to rebuild and reshape their lives when released.

Charles King, Minister of Music at the Millbury Baptist Church, will be organist and soloist. Mrs. Hilda Howe, Mrs. Edith Watkins, and Mrs. Juanita Bullard of the host church are in charge of arrangements.

Members of many community churches will take part in the program. All interested men and women are invited, so plan to be part of a "May Fellowship Day" experience.

WIT AND WISDOM

A bore is a person who talks so much about HIMSELF that You can't talk about Yourself.

No matter how love sick you may be, don't take the first pill that comes along.

Success usually comes to those who are too busy to look for it.

Only small people pretend. Big people are genuine and sincere.

"It turns me on"
"It turns me off"
How easily people toss it.
There are times I feel as though I'm talking to a faucet.

Woman's Club Annual Meeting

MILLBURY - The Annual Meeting of the Millbury Woman's Club will be held on Monday, May 2, at the Greenside Restaurant, located at the Oxford Golf and Racquet Club. The social hour will begin at 11 a.m. and the luncheon will be served at noon. The guest speaker for the afternoon will be Mel Simons who will conduct a program entitled, "Smile and Remember - A Trip Down Memory Lane." The chairwoman of this event is Jane Jung.

The dues for the year 1988-89 have been raised to $10 dollars and will be collected at this meeting.

On May 6, the Club is sponsoring a "Bakery Shop on the Common." All members are asked to contribute two home-baked items to this sale.

Wayne Sclar Announces Candidacy for State Senate

MILLBURY - Wayne R. Sclar, 39, of 15 Manor Road, Millbury has announced his candidacy for the Democratic nomination for State Senator of the First Worcester and Middlesex District.

Sclar previously served on the Millbury Charter Commission and the School Building Committee, and served two terms on the Millbury School Committee.

He is a graduate of Millbury High School, Massachusetts Hospital School in Canton, and Quinsigamond Community College. He also attended Worcester State College.

In announcing his candidacy, Sclar said, "In my years of public service and political involvement, I have learned that people expect too much from politicians and demand too little. Because of this, I am committed to bringing to the political process and to state government, higher values, principles and ideals; more integrity, dignity and honor; and deeper sensitivity, caring and compassion.

"I have also learned that compassion without competence is waste. Because of this, I will work to repeal the present version of the Universal Health Care Bill. This politically motivated legislation will steal funds from education, human services, public safety and other essential services. It will drive up state and/or local taxes and drive some small businesses and state government itself to the edge of bankruptcy. This disgraceful bill will crucify 'The Massachusetts Miracle' on the cross of political irresponsibility. And worst of all, it will drive down the quality of health care for the people of Massachusetts.

"I have learned as well that the price of freedom is courage and commitment. Because of this, I will speak out, in a clear, strong voice, for rules reform in the Massachusetts State Senate and against the traitors on Beacon Hill who have brought disgrace to our noble political heritage and who have turned the cradle of political liberty into a wanton and irresponsible child of political aristocracy.

"And, most importantly, I've learned that sustained involvement, not feeble words, bring about political change. It is well for all of us to remember that Patrick Henry did not say, 'Give me liberty or give me power," nor did he say, 'Give me power and I will reform our auto insurance.'"

Honored by Sutton Legion Post

SUTTON - Representative Richard T. Moore (D-Uxbridge) and Worcester County Sheriff John "Mike" Flynn were given special recognition at the Dudley-Gendron American Legion Post 414, annual Past Commander's Banquet held recently at post headquarters on Boston Road.

Moore's plaque, presented by Past Commander James Goode, read, "Presented to Representative Richard T. Moore by Dudley Gendron American Legion Post 414, Sutton, Massachusetts, in appreciation for his many years of faithful and dedicated service to the constituents of the 8th Worcester District in the Massachusetts House of Representatives, as well as the personal service to all those seeking his help regardless of party affiliations."

In making the presentation, Goode stated, "During the recent House redistricting, it appeared that we might lose Dick Moore as our Representative for Sutton, and it really came home to all of us at the Dudley-Gendron Post how much he's done for our community and for his district. We're especially glad to have him back, now that the redistricting plan is finalized, and we wanted him to know how much he means to veterans and to all the people of Sutton."

Flynn was presented his plaque by Past Commander John Tebo in recognition of the Sheriff's being named Worcester County "Veteran of the Year" and for his service to veterans and to the people of Worcester County. Tebo stated that since the American Legion has a long tradition of respect for law and order, it was especially fitting for the Dudley-Gendron Post to honor the county's top lawman.

Seventeen of the post's twenty-six past commanders attended the dinner this year. A special feature was the presentation of life memberships to all charter members of the post who helped found the unit in 1946. All past commanders were given life memberships at last year's banquet.

Other dignitaries present were State Senator John P. Houston (D-Worcester), former Sutton Town Moderator Richard A. Labonte, Selectman Chairman Wallace Johnson, Sutton Police Chief Robert Conley, Millbury Police Chief George Brady, and both the State Department and Worcester County American Legion Commanders as well as the Legion's National Committeeman from Massachusetts. Nearly 200 veterans, guests, and friends were in attendance.

Post Officers for 1987-1988 are as follows: Commander, John T. O'Toole; Sr. Vice Commander, Vincent C. Roy Jr.; Jr. Vice Commander, David C. Schroeder; Adjutant, Robert B. Plante; Finance Officer, David A. Tomasso; Chaplain, Henry E. Croteau; Service Officer, Edward C. Kasputis; Historian, Philip J. Wolf; Sergeant at Arms, Richard T. Croteau.

HERE . . . THERE . . . EVERYWHERE

Bits 'n Pieces

. . . Joe Morin

HELLO, FRIENDS! 'Tis your old pal back with a few items of interest, not necessarily world-shattering, but brought to you with a chuckle here and there. They may be thought-provoking, but nothing of a deep nature 'cause I'm not one to go on the deep end. Keep it down to earth and speak a language we all understand! Nothing fancy, but cute! Ha-Ha! And, as Jackie would say, "And away we go!"

PREMIEREMENT - A PEEwee Salute to the Post Office for cutting back on their services and increasing the postal fees. The PO is closed Wednesday afternoons as an economy measure. If the men are sent home without pay, that is an economy measure. If the men are sent to the back room for that afternoon and still keep the customer windows closed, that is not an economy measure....You know, the day is coming when it will be more economical at holiday time to use the phone to extend Christmas/New Year wishes than to spend the money on stamps and cards that are now running close to $2.00 plus. That's my opinion, if anyone asks!

GENERAL MOTORS and other new car manufacturers....You want a good road to test the stamina, shocks and road condition of your new cars? We've got the testing pad for you. Here in Millbury we call it "Millbury Avenue." If your new cars can pass this road test, you've got something good!

DE-WEEDING Dorothy Pond (or is it Doroty?) is scheduled to take place sometime in the near future. One comment we got quite a chuckle out of was the announcement that "swimming in the pond will be prohibited for 14 days while the de-weeding takes place." You mean they actually **SWIM** in the Pond? C'mon, you gotta be kidding!

A COUPLE OF Columns back, we mentioned the fact that we were being short-changed with the Cable TV coming into our homes, i.e. not enough channels in comparison to other towns. But the more we think about it, with the garbage, trash, and re-runs that are now being offered on TV, the less TV we watch. The trivia, the commercials, the gobbledegook being offered is not being accepted by a lot of people. More people have the tube shut off, are reading more, and talking with one another more. Maybe it's a blessing in disguise.

WOMEN! BE QUIET!...I didn't say that, St. Paul said that in I Corinthians 14:34,35. "Let your women keep silence in the churches: for it is not permitted unto them to speak...And if they will learn anything, let them ask their husbands at home; for it is a shame for women to speak in the church." (P.S. Maybe they've got something to say, let's listen to 'em). Good Grief! Am I gonna get it!

THE FAMILY NAME. *You got it from your father, it was all he had to give.*

So it's yours to use and cherish, for as long as you may live.

If you lose the watch he gave you, it can always be replaced.

But a black mark on your name, son, can never be erased.

It was clean the day you took it, and a worthy name to bear.

When he got it from his father, there was no dishonor there.

So make sure you guard it wisely, after all is said and done.

You'll be glad the name is spotless, when you give it to your son.

I GOTTA TELL you this one. Overheard in a drugstore in Worcester: A man was about to pay the pharmacist for the pills he had just ordered. After looking at the cost of the pills, the old gent asked the pharmacist if he would "accept $10 down and $10 per week toward payment." T'ain't funny, McGee!

LETTERS, WE GET LETTERS. We take this opportunity to say "Hi!" to Ron Beau Doyn of Brookfield, a reader, to Mrs. Julia O'Brien of County Wicklow in Ireland, to the gang in Florida, California, Rhode Island and Canada who all read this paper and our column. We're happy to hear that they are happy and that they chuckle when they read the column. Again, dear folks, many thanks. We appreciate it.

FROM THE CFP we read that Fr. DiOrio also heard from the Lord. "Ralph, my priest, My gift to you is the gift of My people."....**WHILE ON** the religious side, we were curious about what the people in Jesus' time would have eaten if they were invited to a wedding feast. Well, we consulted the old computer and came up with this genuine recipe for a "Wedding Feast."

1. Assorted Spiced Cheeses with Matzah: cinnamon cheese, black cumin cheese spread, hot radish cheese spread
2. Sabbath Fish Balls
3. Crown Roast of Lamb with Pomegranate Raisin Sauce
4. Duckling with Mustard Sauce
5. Millet Pilay
6. Arugola Rose Salad
7. Orange, Onion and Olive Salad
8. Honey Wine Cake
9. Tray of Dried Apricots and Dates
10. Shaped breads: braids, triangles, rolls
11. Fresh Fruit, Wine

How about that for a wedding menu? All eaten with the hands, for there were no utensils in those days. Very interesting.

TIDBITS....A person who buys a round for a drinking companion in Oregon may be held liable if the companion gets into an auto accident....**A LOTTA BREAD!** Ford Motor Vice Chairman Harold Poling earned nearly $11 million during 1987 in salary, bonuses and exercised stock options. he earned $808,697 in salary, $2 million in bonuses, and $8,060,272 in exercised stock options. I betcha he don't eat at McDonald's!...You wonder why the price of a car is priced sky-high. We're paying for those fat cats to live high on the hog....From Mike Barnicle of Boston, we get this comment: "This country is under siege. It is armed to the teeth. The arms race is not with Moscow. It is with each other." He was talking about the proliferation of and easy access to guns nowadays....**THAT POOR CHAP** from North Carolina who was so engrossed in video taping parachute jumpers that he jumped out with them, assuming he had his parachute on. Sad to say, he didn't....

POOR TASTE. That church on Massasoit Road that has that Bingo sign prominently displayed right on the front church entrance door. Word association: Catholic! - Bingo? We've got to get away from such a thing.

WORCESTER LEWCOTT coming to Millbury! How come we get all the garbage/trash disposals, chemical plants, etc. We may as well go all out. Is there room in town for a piggery? More car junkyards? How about a Nuclear Waste Plant? We've got everything else!....**FOOTBALL** is a game in which 22 big, strong, healthy guys run around like crazy for two hours while 50,000 people, who really need the exercise, watch them!

"...**YAKOV SMIRNOFF**, the Russian comic/defector, admits there are a few nice things about Russia. There's plenty of parking space and always a policeman when you need one. The Post Office is much faster - they read your mail over the phone, if you have a phone."...**IN NEW YORK** we won an Oscar. So said the Duke of Paducah. What an actor. The other two demo ding-a-lings and good old George Bush should receive one also. What a choice we have to make. I think the best way to do it is put their names in a hat and pick one. No doubt in my mind, it's going to be George Bush....Like they say, "Glitz and glamor are out. Dull is in!"

FOURTH OF JULY has to be the most unique holiday in the calendar year. Where else but in America can you find people who are paying off a revolving charge account, a home-improvement loan, a 48-month car loan, and a 30-year mortgage and are still celebrating their freedom? Ha-Ha!

WELL FRIENDS, we did it again. We unloaded a few of our thoughts, ideas and/or opinions on subjects from here and there. We'll never win a Pulitzer Prize for writing, that's for sure, but we feel good about what we're doing. We enjoy it tremendously. If we can elicit one smile out of you, a thought on a subject/topic mentioned, we did our duty. So friends, until next time, the Top of the Morning, the Warmth of the Day, and the Peace of the Evening be with you always.

We bid you Peace! Your Pal, Joe Morin.

ing accommodations in the lot they share with Mass American Water Company. "I'd have no problems," Mrs. Finne said, "if other people didn't use the lot, but some people in the area park there and some employees from other businesses park their cars there all day. My clients come in and tell me that they can't find a spot in the lot." The lot, by Chronicle count, accommodates approximately 26 vehicles which would be sufficient for the three businesses who pay for the privilege.

Ray Dubois, owner of Ray's True Value, which is located across the street from Shear Elegance, explained "In part the business people are creating the problem because they're not parking where they should. I shouldn't have a problem; I have two hour parking on my side, but people go into the Belfont for four or five hours and nothing happens to them. I had a customer park illegally by Centerview because he couldn't find any other place to park; he got a ticket. Somebody down the street parked for four or five hours and wasn't touched and the owners park out front all day. That's one of the problems. The police keep watching the parking problem and they do it fairly, but if they make everybody observe (the restrictions), it'll work."

Ray Dubois

Dubois was one of several individuals interviewed who suggested a meeting between business owners to address the parking problems. "Maybe all of us could get together and discuss it, not heatedly, but just discuss what we could do to help one another. This could be a nice little mall area down here."

At the other end of Main Street, Linda Ponti and her husband own and operate Linda's Sweet Shoppe. While interviewing Mrs. Ponti, one of her customers, Mrs. LaBrie, an Auburn resident, complained that the parking situation was "just horrible. It used to be very good," she said, "but now it's getting impossible."

Mrs. Ponti explained that Mrs. LaBrie voiced concerns which she hears from many of her customers. "We're in trouble because I have no parking that goes with the building. Now across the street, there's going to be a mini-mall on the first floor and four apartments on the second floor. I said to one of the selectmen, 'Have you told them (the developers) they should provide parking?' He said, 'Well, no, we haven't looked into any of that yet.' I said 'We're in trouble with parking now. What are we going to do with a mini-mall and if each apartment has two cars?'"

With respect to parking in the municipal parking lot, Mrs. Ponti remarked that frequently the municipal lot is full when she arrives to work with her husband early in the morning. "People park in the lot all night and walk to their apartments," she said.

Mrs. Ponti also said that not all cars are being tagged and that some are being permitted to park all day while others are tagged if they exceed the time limit.

Bob Carroll, owner of The Razor's Edge, voiced similar concerns. "I don't mind them tagging cars, but everybody should be tagged. There's a blue pick-up and a Pathfinder that park all day without being tagged. I don't mind the restrictions, but they have to be fair."

Millbury Police Chief George Brady disagreed with comments that the department is not being fair in issuing citations. "There are none (cars in violation), to my knowledge, that are untagged. I know they're enforcing everybody - all the cars involved. As far as any favoritism, I know of none."

Brady also explained, "We do know there are some people who go out and move their cars every couple of hours so it might appear that they have stayed there over two hours."

Brady suggested that violators be reported to the department. "Any violations they see they are certainly welcome to call here. It's an open door here. We're not playing favorites."

Brady believes part of the parking problem lies with the business owners themselves, "My personal opinion is that some of the business people created the problems by parking all day near their businesses or in front of a neighboring business. That resulted in a neighboring business parking in front of the original business. As a result, the parking spaces were used up." According to Brady, the situation has improved with the stepped up enforcement, "We are not issuing as many parking tickets as we did because people are heeding the signs more."

When asked which section of the downtown area draws the most violations, Brady replied, "Probably right in the center because of the nature of the beast with OTB selling newspapers. People are only in there (OTB) a few minutes but a lot of people stop there. We've been enforcing that. One of the 12-8 people is down there from 6-8 every morning trying to rectify that situation. Then when you go down Elm there is no parking for 60-70 feet. That's supposed to be a bus stop. There was a 15 minute parking sign there that was illegal. It was right in the middle of the bus stop."

- In reference to a letter received from Martin Roach, of Grove Street, concerning the temporary change of a portion of Grove Street to a two-way designation, Cristo asked Chase if signs had been changed. Chase reported that the one-way sign at Grove and Main had been taken down and the one-way sign at the other end of Grove would serve to prevent cars from coming up Grove Street.

- In other matters pertaining to old business, Chase reported that the de-weeding of Dorothy Pond will begin on either June 2nd or June 9th. A notice to the public will be advertised and the area will be posted.

- Chase also informed the board that Lewcott Chemical has forwarded a list of their hazardous chemicals, for the year 1987, to the Board of Health and to the DEQE.

- The board voted 3-0, with Adams opposed, to move for Indefinite Postponement, at the town meeting, of an article to accept Herricks Lane as a public way.

It was the opinion of three board members that Benjamin Miles should blacktop the road before the town accepts it as a public way. Chase stated that Miles has indicated that he owns the whole road.

Cristo replied, "He says he owns it, then he has the liability. The town should not accept it until that section is brought up to the standards of the highway surveyor. He could at least put a top coat on."

Adams, in voting against the motion, indicated that the board would be letting down the people on the rest of the street who have a right to expect some action since they had petitioned for acceptance in the past and thought they had a public way.

- Chase then reported that he reviewed the final layout for the reconstruction of Millbury Ave. with Paul LaRosa; a public meeting will be held on May 10th.

- The board took no action on the Ambulance Agreement with Himmer Ambulance Service. Lachance said that he would first like to see their plans for renovating the building.

The board will pursue the matter after the town meeting.

- Chief Brady supplied the board with a proposal for a Mutual Aid Policy which has been approved by the District Attorney. Adams suggested that Chase research whether the town voted to accept the state statute on a mutual aid policy.

- Fred Vulter, chairman of the 175th anniversary committee, was present to request that the board approve restrictions on outside vendors during the block party to be held in June. He noted that this would allow non-profit organizations to sell their wares.

Cristo suggested that Chase check with Town Counsel to see if such a restriction is allowable.

- Under New Business, Cristo brought up a matter concerning the former building at 19 Main Street that was recently demolished. It was noted by other board members that the foundation was also removed.

Chase said that Casa Builders was informed that they could only erect a similar type building to that which was on the original foundation. He also noted that a building permit had been issued. Chase also noted that the matter does not come under the board's jurisdiction. Cristo replied that the board was interesting in knowing what was going on.

- In a final matter before completing the agenda, Adams inquired about the status of the liquor license at Happy's Restaurant. Chase replied that it was not being exercised at this time. Adams then requested that the board be advised on any future plans for the license.

The meeting adjourned at 10:00 p.m.

Author to conduct Book Signing

Dr. Jefferson Breen, a resident of Sutton, and author of the recently published book, You Are a Person of Worth, will conduct a book signing on Saturday, April 30, from 1-3 p.m. at the Tatnuck Bookseller, 647 Chandler St., Worcester. The public is invited.

Dr. Breen, a professor in the Department of Behavioral Sciences at Fitchburg State College, lives in Sutton with his wife and two daughters. He is currently completing an article for a major mental health journal as well as compiling data for a book on adult children of alcoholics.

Jude Cristo, Chairman of the Board of Selectmen, during an early morning meeting with Millbury Fish and Chip owner Roger Tremblay explained that the parking restrictions are state mandated, "The 30 minute and 2 hour restrictions are to allow short time for some customers and longer time for those who need it. We have to take a vote to change the restrictions, then the state has to approve them."

Cristo explained that he has been involved in the parking dilemma since 1980 when he served on the Redevelopment Authority. "We had designed plans for 14 spaces by the Telephone company. I went to Boston and had the whole thing set up, then divestiture occurred and the plans were scrapped. Then we met with the (Federated) church and moved to use their lot and that plan failed as well. We've got a lot of municipal parking, but it's not in the best places." Cristo went on to explain that he is trying to get an easement which would allow the municipal parking lot to accommodate 125 places.

Cristo would also like to see the Millbury/Sutton Business Association become more active. "They were the force that got the parking lot done," he said, "but they need to have on-going monthly meetings where problems can be discussed before they become major."

Butch Myers, president of the Association, expressed his willingness to convene the Association any time and any place to discuss the problems. He stated that regular meetings of all of the business people in Millbury and Sutton could benefit everyone by having problems emerge before they become crises. "As I stated two years ago (in a Chronicle article on the Millbury/Sutton Business Asscciation), the Association could help both towns to diagnose problems before they become unmanageable. The only time people want to meet is when there is a problem, and that's usually too late. Millbury's problem is not a 15 or 30 minute restriction; it's a parking problem that's not going to go away if something isn't done."

"Millbury's problem is not a 15 or 30 minute restriction; it's a parking problem that's not going to go away if something isn't done." - Butch Myers, President, Millbury-Sutton Business Association

Myers also summed up a much more serious problem that could develop when he stated, "Some steps should be taken right now if businesses aren't going to be hurt. If I come into town to get a cup of coffee at the Donut Center and can't find a parking space, I'm going to go to Tony's because there's parking, and if I do that often enough, I'm going to stop coming to Millbury and the center businesses will be hurt. If you think that's impossible, look at what happened in Worcester."

town landfill which is estimated at 1.6 million dollars. (4) Town budgets have been growing at a rate of about 19%.

The Finance Committee feels that if the town restricts spending to critical items, and if the revenue from Wheelabrator is used to pay for the landfill capping, the town can avoid borrowing funds or overriding Prop 2 1/2. The danger in borrowing, according to the Finance Committee, is that the town presently pays out $630,000 a year in debt retirement and $283,050 in interest. Should the town elect to borrow funds, this amount, $913,050, will go up.

In an effort to show support for the recommendations of the Finance Committee, the Capital Budget Planning Committee has released the following statement: "The Capital Budget Planning Committee would like to indicate its support for the Finance Committee and the effort that has been expended by the members of the committee on behalf of the citizens of this town. Though not always in agreement, the policy of both committees is to work toward a common goal for the best interests of the townspeople. We sincerely hope that these efforts will be appreciated."

The final decision on all money matters will be left up to the voters at the May 3rd Annual Town Meeting, which will begin at 7 p.m. at the High School..

Hymn Sing

GRAFTON - The Union Congregational Church of South Grafton will present a Hymn Sing on Sunday, May 1, at 4 p.m.

The Hymn Sing will be led by the Rev. Hubert Swetham of Kingston, Mass. at the piano.

Pastor Swetham, former pastor of the Union Congregational Church and the North Uxbridge Baptist Church, is well known in the Blackstone Valley for his piano concerts based on the life of Christ as well as for leading hymn sings in many local churches.

Pastor Swetham's many friends are invited to come and join their voices in praise to God, enjoy Rev. Swetham's mastery of the piano, and sing their favorite gospel songs.

Refreshments will be served and the public is invited.

Singletary Sailing Association

At the organizational meeting of the SSA held on April 21, the following Officers and Committee Chairmen were elected: Commodore, Tom Macaruso; Vice-Commodore, Craig Whittier; Secretary, Peter Fitzpatrick; Treasurer, John Gaucher; Race Committee, Frank Kaczynski; Outing Committee, Ed Hachey; Membership, Jim Fitzpatrick; Property Upkeep, Frank Kaczynski.

The dues will remain the same as last year: Family Membership, $10.00 (includes "kids" up to 21); Individual Membership, $7.00; Associate Membership, $5.00. This last category was established to permit Association eligibility for those who enjoy watching the sailing fleet in action, but are not able to participate.

The Association will continue to use the Handicaps as published in the 1987 Portsmouth Yardstick. In addition, dues must be paid before a Skipper can qualify for racing points. All boats which cross the starting line will be considered for point scoring purposes which means that if there are 15 boats starting, but only 12 finish, points will be awarded on the basis of 15.

The first official race will be held on Sunday, June 5. The starting time for the first race each Sunday is 1400; a second race may be held at the discretion of the race committee chairperson for that day. A list of chairpersons will be published at a later date. You do not have to be a member of the SSA to be Race Chairperson, but you do need access to a power boat and one crew. Call Frank Kaczynski (865-6613), or John Gaucher (865-2372/832-5807), for details.

Outings, as arranged by Ed Hachey, will be held once a month to discuss race rules and problems.

Commodore Macaruso advises that the primary goal of the Singletary Sailing Association is to enjoy the Lake by matching your sailing skills with the capricious winds as you attempt to negotiate a monitored course. The Commodore also reminds everyone of the legal requirement of having an approved life jacket or flotation gear aboard for each person. The SSA is considering assessing penalty points against any skipper if appropriate gear is not worn.

It is highly probable that there will be more power boats on the lake this year than in the past. This means more power boat drivers who are not familiar with the Sail/Power Rules of the road so, by all means, "Be Careful out there!!"

The next meeting of the SSA will be held on Thursday, May 26, at a place to be announced. Members are expected to attend, and the interested sailing public is invited to attend.

Assumption School News

By Grace Laflash

Sister Elizabeth Morin coordinated activities for Vocation Week. All students designed their own buttons, which were later laminated. With her class, each teacher prepared a project to display in the corridor.

Bishop Rueger visits with 6th graders James Vaillancourt, Robert Rucci, and Jill Ermanski.

The Most Rev. George E. Rueger, D.D., Auxiliary Bishop of Worcester, was greeted by a delegation of eighth grade class officers and conducted to the church. He was the principal celebrant of the Eucharistic Celebration and was assisted by the Rev. Msgr. Mederic J. Roberts, the Rev. Robert W. Spellman, and the Rev. Mister Robert J. Tremblay, Deacon. Keeper of the mitre was Joseph Brady, grade 8, and Keeper of the crozier was Mark Brady, Grade 7.

The following sixth graders participated: James Vaillancourt and Jason Bowlin, Acolytes; Brian Giandomenico, Introduction; Audra Niemiec, First Reading; Julianne Keenan, Psalm; and Amy Patrick, Prayer of the Faithful.

In conjunction with the Gospel theme, "I Will Make You Fishers of Men," the church was decorated with fish created by each student in the school. A skit of Jesus calling his twelve Apostles was enacted by David Gagne, Grade 7, and a group of first graders. Daniel Lavoie, Grade 6, narrated.

Following the Mass, the Bishop visited each classroom and spent some time with the boys and girls.

Mark Chabot, of Colonial Drive, Sutton, (second from left) was the Grand Prize winner in Fidelity Co-operative Bank's "Great Hawaii Giveaway" contest. Mark received an all expense paid trip for two to Hawaii. The contest was held in conjunction with the Bank's 100th Anniversary Celebration. Bank President Francis Metterville (far left) presented the award. Bob Jordan, Manager of the Millbury Branch and Mary Leary, Assistant Vice President of the Bank, were on hand to offer their congratulations.

Under the watchful eye of Grace Hodgdon, Sister Antoinette Demers cuts the cake at Fidelity's 100th Anniversary Celebration Open House on Monday, April 25th.

Armand and Doris Desorcy enjoy a glass of punch at the open house, while Grace Hodgdon and Louise Gardner (far right) clown around!
